NEIGHBORS IN NEED OFFERING

The 2024 Neighbors in Need theme is
“Mental Health Justice For All!”

This year’s focus is on Mental Health Justice. In 2015, the General Synod of the United Church of Christ passed a resolution to become WISE (Welcoming, Inclusive, Supportive, and Engaged) for mental health.

A just world for all is a world where the human rights and well-being of people with mental health challenges are respected, no matter who you are or where you are in life’s mental health journey.

This year’s NIN “**Mental Health is a Universal Human Right**” collection will take place

October 6, 2024, as part of
World Communion Sunday.

One-third of the offering supports the Council for American Indian Ministry (CAIM).

Two-thirds are used by Justice and Witness Ministries to provide grants to UCC churches and organizations as well as supporting a variety of justice initiatives, advocacy efforts, and direct service projects.

Lakeland University Invites you to enrich your knowledge.
